Is your child looking for an opportunity to show off his dramatic side? Join our popular drama program this summer! As part of these sessions, children will be cast in a full-length musical production. They will participate in intensive rehearsals—learning lines, songs and dances. A commitment to full attendance is required for acceptance. Costumes will be the responsibility of the parents. The sessions will culminate in a performance for family, friends and neighbors. Note that this program is limited to children entering first grade and up.
